### About CTEG

**Concerned Taxpayers of East Granby (CTEG)** was formed in February, 2008 by a group of East Granby residents concerned about and interested in promoting responsible spending of taxpayer dollars. We are interested in promoting quality in public services and education, smart spending, creative and effective approaches to expense reduction, and openness of government.

Membership is open to anyone who is interested in discussing government and tax-related issues. All meetings are open to the public, and our regular meeting dates are listed on our website and in *Talk Turkey*. There are no dues, but donations are welcome and encouraged.

**We do not share our membership list, email list, or any other information you may provide.**

### Our Mission

Concerned Taxpayers of East Granby, Inc. (CTEG) is a nonpartisan organization that provides a forum for East Granby taxpayers to discuss issues affecting them. ### Since our organization began, CTEG has:

- Increased taxpayer participation in town meetings and meetings of town boards and committees**
- Increased voter turnout for elections and referenda**
- Promoted taxpayer awareness of important issues concerning public education and town government**
- Increased openness and transparency in East Granby's town government**
- Successfully advocated for common sense in town budgeting**
- Held public meetings with town and state officials and candidates for public office**
- Held public forums on topics of taxpayer concern**
- Energized community spirit and participation**
